A way to get students from “I want to go to college” to “Whoa I have a degree!” Work of Guided Pathways are based on four key areas: Simplify the path for students by, clarification, getting and keeping students on the path, and ensuring students are learning. Clover Park is part of a second wave of CTC’s in Washington State to receive this grant. Four committees will lead the work of Guided Pathways; Retention and Completion, Student Learning, Outreach and recruitment, and Equity, Diversity and Inclusion these committees are in a pyramid form to show how they work together so nothing is disconnected or left out. Words that jump out, “program and degree maps”, “Program monitoring”, “student interventions”, “Faculty and staff engagement”. There is alignment with guided pathways and priorities paper. Student reputation on committees, put students on each committees. Equity, diversity and inclusion Sadie, Sandra, Sam. Retention and Completion, Sadie, Sandra, Tim.
